This 'Catering Suppliers' Directory has been produced through the ChangeUp programme as a resource for voluntary and community groups.

The following pages contain contact details for local suppliers that can provide catering for events and meetings and a brief explanation of types of food available. Please contact the individual suppliers for further information and whether delivery is available at your location.

We hope that you find this Directory useful and would welcome any comments you may have, which might help us to improve future editions.

Please send any comments and feedback to:
