

Resilience Resources Pack

This 'Resilience Resources Pack' has been produced through the ChangeUp programme as a resource for voluntary and community groups in Havering. Documents in the following areas have been included in the Resource Pack to provide information and advice on resilience related issues:

- *Top 5 things charities can do in a downturn*
- *Early warning guide*
- *Sustainable need analysis*
- *Sustainable funding/funding advice*
- *Other incomes*
- *Volunteer policies*
- *Monitoring and evaluation*
- *Collaborative working and mergers*

We hope that you find this information useful and would welcome any feedback and comments you may have, which might help us to improve future editions.

Have you found the information useful?

Yes No

Did you use the information in your organisation?

Yes No

Do you have any comments on the layout?

Yes No

Are there are areas which are not covered and you would like included?

Yes No
